报告人： Dr.Michael Cuddy, Professor in Economics(Emeritus),
National University of Ireland, Galway, Ireland

时间： 2017年6月26日 (星期一) 9:30—10:30

地点： 经济管理学院6楼报告厅

报告人简介： Michael Cuddy holds a B.Agr. Sc and M.Agr. Sc (Economics) from University College Dublin and a PhD in Economics from North Carolina State University.

He was a Professor and Head of Department of Economics for 25 years and Dean of the Faculty of Commerce (Business School) for three years. His teaching included macroeconomics, econometrics, rural development and Economic Policy and Planning. His research was primarily in agricultural policy, rural and regional development and the development of transition economies. He has over 100 published works. He established and was Director of the rural development research centre, CEDRES, and the marine social and economic research centre, SEMRU, at NUI, Galway. He carried out research and studies for numerous national and international agencies, including Irish government departments, the EC and the UN. He carried out research and consultancy work in Ireland, UK, US, France, Germany, most of the countries of Central and Eastern Europe, Russia and most of the other Republics of the former Soviet Union, China, the ASEAN countries and North Korea. .

He is the founder of an international consulting company in Economic Development, GDSI, with its headquarters in Galway. He was Director and Chairman of the company 1991- 2017.
